presentation | 11:20-12:20 ET**

Leonie Schelke is a Dutch certified cosmetic physician. She has a private practice in Amsterdam for 20 years.

Since 2010 she and her colleagues run a policlinic for filler complications at the Department of Dermatology, Erasmus MC, Rotterdam the Netherlands (2 days per week, 500 new patients per year).

She received her PhD in the use of duplex ultrasound and the management of filler complications.

**DIEGO DELGADO, MD, MSC**

**A Tear Free Approach to the  
Tear Trough | 12:45-13:45 ET**

Dr. Diego Delgado graduated in Medicine from the Universidad del Salvador in Buenos Aires, Argentina.

Dr. Delgado is an Associate Professor at the Department of Medicine of the University of Toronto. Dr Delgado worked for more than 10 years as an Instructor and Assistant Professor of Anatomy at the University of Salvador in Buenos Aires, Argentina. He continues teaching facial anatomy and novel medical aesthetics techniques Nationally and Internationally.

Dr. Khouri is the author of over dozens of scientific articles, has provided content for several medical training manuals. She is a regular speaker at national and international cosmetic conferences on subjects such as the use of fillers, neuromodulators (botulinum toxins), and other cosmetic procedures especially in the periocular area. Dr. Khouri trains and teaches residents in Ophthalmology, Dermatology and in Plastic Surgery at the University of Montreal, particularly in cosmetics. She has successfully practiced over 3000 eyelid procedures since the beginning of her practice in 2001.

Dr Khouri has recently been chosen as a top trainer to other physicians for tear through injections and periocular rejuvenation.

Dr. Khouri's expertise is in demand as a trainer for several aesthetic injectable companies, a product tester for several cosmetics companies, and she is the physician responsible for the aesthetics rotation for the dermatology residents of the University of Montreal.

Dr Khouri is well appreciated by her patients and staff and is one of the best rated doctors on the web in her specialities.

Dr. Khouri is one of Montreal's leading esthetic eyelid surgeons, one of only ten ophthalmologists in Quebec specializing in Oculoplastics.

She is a teacher in the Dutch certified educational program for cosmetic medicine.

She is co-founder and trainer of CutaneoUS, an organization for ultrasound courses in cosmetic medicine and dermatology.

He is the Medical Director of Vita Medical Aesthetics Academy in Toronto. He is a Member of the Humber's Medical Aesthetics Program Advisory Committee and Faculty of the Canadian Board of Aesthetics Medicine.

His main interests are advanced aesthetics anatomy and use of advanced aesthetics procedures for facial rejuvenation and body contouring.
